Detector
Series

SM01-ZB

Large area of smoke inlet mesh, the smoke intake doubles, the smoke concentration is quickly sensed, and the dangerous fire situation is detected in time.

Specification

Overview			
Power supply mode	DC3V, 1 CR123A battery Operating	Shell material	PC+ABS
Temperature	-10°C~+55°C	Low voltage alarm	Support
Communication method	WiFi/Zigbee/FSK/Z-wave/ LoRa	Dimensions	55 X 55 X 49 mm
Anti - disassem-bly design	Support
