Smart PTZ Camera

6-Inch 8MP 36x

S265 | Onvif | Slink | 8Mp | App Detection

Digital wide dynamic range | Network | Motion Detection | low-light human

Human Shaped Recognation Auto Tracking Series

6-inch metal housing, IP66-rated, 4 laser illuminators, 6 dual-core LEDs, 150m infrared range. Features a high-performance 5 MP 1/2.7-inch CMOS image sensor for excellent low-light performance. High image clarity with maximum 8MP output (3840*2160@15fps), supports wired network and 4G (optional), features two-way audio intercom with built-in microphone and speaker for voice announcements, supports Smart265/ H.265/H.264 intelligent encoding, SmartIR for automatic infrared range adjustment and uniform illumination, digital wide dynamic range, 3D noise reduction, glare suppression, and back-light compensation for diverse surveillance environments. Supports multiple anomaly detections: network disconnection, Ip conflicts, unauthorized access. Powered by DC12V/POE with surge protection, ESD protection, and lightning-proof design.

Features

- 8MP Ultra HD Resolution (3840 × 2160)
- 36× Optical Zoom PTZ
- 150m Infrared Night Vision
- IP66 Weatherproof Metal Housing
- Two-Way Audio (Built-in Mic & Speaker)
- Supports H.265 / H.264 Video Compression
- PoE or DC12V Power Supply
- Optional 4G & Mobile App Access
