Smart
Solar Light

Specification

System	
Solar Panel	High Efficiency Mon crystalline Silicon 60W
Light Source	LED (Bridge lux 45ml)
Lumen	6000LM
Lithium Battery	26.4AH(12V)
Installation Height	-10m
Working Time	rainy 5-6 days

Working Temperature	20°C - 60°C
Charging Time	6-8h
Grade	IP65
Sensor	Body Induction & Light – Dependent Control, Time Control (Option)
